

Grapevine Valentine
Kingsfoil

Hey I m Daniella and this wasn t up so I felt like giving it a shot.

Am **C**
Friday night getting done up
G **D**
You say you wanna look just like a china doll **Am**
I answer that you do from the hall
C
My patience was waning, half moon, now I m lit up waxing poetic
G
In the bathroom I say that apart from lust
D
The secret to love is secrets plus trust

Am
She says I got a smart tongue
C
I said in more ways than one
G
You re rolling your eyes but you wondering
D
Come on, come on, come on, come on

Am **C** **G**
Come on give me something that I can believe in
Am **C**
Got those bedroom eyes in the living room
G **Am**
And we re pulling all the blinds in the afternoon
C **G**
All I wanted was to be somebody someone could believe in
Am **C**
But I m a grapevine valentine
G
I m the catch in your throat when you wanna cry
D **Am**
When all I really wanna do is catch you smile
C **D**
Smile, yeah

Am **C**
This girl s got those smoky eyes on a clear night
G

Lipstick on just right

D

We could take a drive feel alive in the dying light
