

Grapevine Valentine
Kingsfoil

Hey I m Daniella and this wasn t up so I felt like giving it a shot.

Bbm **C#**
Friday night getting done up
G# **Eb**
You say you wanna look just like a china doll
Bbm
I answer that you do from the hall
C#
My patience was waning, half moon, now I m lit up waxing poetic
G#
In the bathroom I say that apart from lust
Eb
The secret to love is secrets plus trust

Bbm
She says I got a smart tongue
C#
I said in more ways than one
G#
You re rolling your eyes but you wondering
Eb
Come on, come on, come on, come on

Bbm **C#** **G#**
Come on give me something that I can believe in
Bbm **C#**
Got those bedroom eyes in the living room
G# **Bbm**
And we re pulling all the blinds in the afternoon
C# **G#**
All I wanted was to be somebody someone could believe in
Bbm **C#**
But I m a grapevine valentine
G#
I m the catch in your throat when you wanna cry
Eb **Bbm**
When all I really wanna do is catch you smile
C# **Eb**
Smile, yeah

Bbm **C#**
This girl s got those smoky eyes on a clear night
G#

Lipstick on just right

Eb

We could take a drive feel alive in the dying light

Bbm

C#

My patience was feigning who knew indifference would get me

G#

Where I wanted to go

I could give you such a rush

Eb

The secret to love is blush blush blush

Bbm

There s no room for rumors

C#

I ll silence them, yeah you can be sure

G#

You should believe all the things you heard

Eb

Cause now I got you at a loss for (words)

C#

Out across the lawn

F#

Bare foot on the warm asphalt

C#

G#

In the road we stop the only ones, the only ones

C#

Out across the lawn

F#

Bare foot on the warm asphalt

C#

G#

In the road we touch tar to heels lips to lock

Bbm

C#
