

What Your Mother Taught You
Kingsfoil

The chords may not line up with the lyrics as best as they could, but they are accurate. Great new band. I actually have the same guitar teacher as the Kingsfoil guitarist. Great song, enjoy.

F#m

I see you from across the room

E

Out of the darkness like a perfect bloom

D

I tell myself to leave this place

E

C#m E

But then you start to walk, my heart starts to race

F#m

You got those kind of legs that bring me to my knees
