Intro:

Verse:

Something about a truck in a farmer s field

A no trespass sign, you got time to kill

Nobody s gonna get hurt, so what s the big deal

Something about a truck in a farmer s field

Something about beer sitting on ice

After a long hard day makes it taste just right

On that dropped tailgate on a summer night

Something about beer sitting on ice

Something about a girl in a red sundress

With an ice cold beer pressed against her lips

In that farmer s field, will make a boy a man

Something about a girl in a red sundress

Something about a kiss that s gonna lead to more

On that dropped tailgate, back behind the corn

The most natural thing, you ve ever felt before
