(Bridge)

**F#m**

I would have loved you babe

**Bm** **F#m** **G**

But a black ghost haunts my heart

**F#m**

I should have stopped you babe

**Bm** **F#m** **G**

But you had to fall apart

just to comprehend it

(Verse)

**D** **G** **D** **G**

It s too late to break my heart

**D** **G** **D** **G**

It s too late to try

**D** **G** **D** **G**

It s too late to break my heart

**D** **G** **D** **G**

It s too late to try

**D** **G** **D** **G**

It s too late to break my heart

(It s too late to break with my mother)

**D G D G**

It s too late to cry

(My sisters and brothers and all of them others)

**D G D G**

It s too late to break my heart

(It s too late to break with my mother)

**D G D G**

It s too late to try

(My sisters and brothers and all of them others)

**D G D**

It s too late to try....

I know the ending is a bit confusing but I wanted to include the background lyrics

note though that the chords are meant only for the lyrics and therefore doesn t fit

the lyrics of the choir (I Tried once to make them fit both but that got even more

confusing).....Enjoy
