

Rhapsody

Kira and the Kindred Spirits

Kira and the kindred spirits - The Rhapsody
tabbed by Alexander Staeger

This is my very first tab so please bear with me if it s not 100% correct...
Tried playing it while listening to the song and it sounds about right so enjoy.

(intro)

AM, F, Am, F

AM F AM F G
I have seen love escape out of my hands, before
AM F AM F G
Like a captive bird long awaiting the tilt of the door
E/A C
And it seems that it s all I withhold keeps you coming for more
G
That it s all I don t tell
D
Keeps you under the spell

C
Won t you stay a while and comfort me
Em
Relieve me of my sanity
C
Make me part of a greater totality
B
I d surrender it all for a fantasy

AM, F, AM, F

AM F AM F G
Darling kiss me again I will try to pretend that I m with you
AM F AM F G
But my heart is on hold resisting it s ache to sink with you
E/A C
If you master the word then you know of it s longing to trick you
G
And then it s all I don t tell
D

That keeps you under the spell

C

I was warned of the search of sagacity

Em

of desolating my destiny

C

of becoming a victim of vanity

B

But I m still in love with the rhapsody

(Bridge)

Em, B, G, D, C, | Em, B, G, D, C, B x2

C

I tried Valium and Ecstasy

Em B G D

None of which have set me free

C

I tried Sigmund Freudian therapy

B

D

and it seemed to get the best of me

C

I tried the arms of strong men you see

Em B G D

none of whom have rescued me

C

and I tried and tried just to let it be

B

but I do not have the capacity

(Outro)

Am F Am F G
Cause I have seen love escape out of my hands, before...

It s a great song and I hope you can use my chords. feel free to contact me with corrections

since I m eager to improve my skills... ;)
