As a number not a name

Surrounded but alone

Break:

C# A B

E C# B
And words will fade

And lose their place
C# B
In the pages that pass away
E C# B
And city lights
C# A
Will burn tonight
C# B
To bring us home

Bring us home

We could break the patterns
C#
Strike the match and light the lanterns
B
A signal to the world
E **A**
Set them on the highest hill
C#
Show them love survives here still
B
To light their way back home

E **A**
Heads are bowed and hands are folded

Through each word these hearts are molded
