

*Note: Chord suffixes have been removed below for convenience.

F **D C** **D Bb** **D C**

D Bb C

F **D** **C**
And words will fade
D **Bb**
And lose their place
D **C**
In the pages that pass away
F **D** **C**
And city lights
D **Bb**
Will burn tonight
D **C**
To bring us home

Bring us home

F **Bb**
We could break the patterns
D
Strike the match and light the lanterns
C
A signal to the world
F **Bb**
Set them on the highest hill
D
Show them love survives here still
C
To light their way back home

F **Bb**
Heads are bowed and hands are folded
F **C**
Through each word these hearts are molded
D **Bb**
We choose love and we choose feeling
F **C**
We choose hope and life with meaning

(We will find our way back home

We will never be alone)

F
