Intro:

**F# Eb C# Eb B Eb C#**

**F# B**  
We ve seen all the trials  
**Eb**  
Fake embraces and the smiles  
**C#**  
That raised us to believe  
**F# B**  
We would all end up the same  
**Eb**  
As a number not a name  
**C#**  
Surrounded but alone

Break:

**Eb B C#**

**F# Eb C#**  
And words will fade  
**Eb B**  
And lose their place  
**Eb C#**  
In the pages that pass away  
**F# Eb C#**  
And city lights  
**Eb B**  
Will burn tonight  
**Eb C#**  
To bring us home

Bring us home

**F#** **B**  
We could break the patterns  
**Eb**  
Strike the match and light the lanterns  
**C#**  
A signal to the world  
**F#** **B**  
Set them on the highest hill  
**Eb**  
Show them love survives here still  
**C#**  
To light their way back home

**F#** **B**  
Heads are bowed and hands are folded  
**F#** **C#**  
Through each word these hearts are molded  
**Eb** **B**  
We choose love and we choose feeling  
**F#** **C#**  
We choose hope and life with meaning

(We will find our way back home

We will never be alone)

**F#**
