

Soho Square

Kirsty MacColl

**Eb Ebsus4 Eb**  
Your name froze on the winter air  
**Ebsus4 Eb**  
An empty bench in Soho Square  
**Ebsus4 Eb**  
Forgotten now I turn away  
**Ebsus4 Cm**  
Just save me for a rainy day  
**Gm Cm [Fill 1] Eb**  
But don't be sorry, I don't want to hear it baby

**Ebsus4 Eb**  
My feet froze in the winter chill  
**Ebsus4 Eb**  
I knew I'd probably get ill  
**Ebsus4 Eb Ebsus4**  
But I was praying we could fill an empty bench and still  
**Cm Gm Cm [Fill 1]**  
You're so sorry but I don't want your pity baby

**C Am**  
It's all yours now please don't tease  
**F G**  
The pigeons shiver in the naked trees  
**C Am**  
And I'll do anything but please don't hurt me  
**F G**  
Just kiss me quick cos it's my birthday  
**F C F G**  
And I feel so small I don't know why but no I'm not too old to cry

**Eb Ebsus4 Eb Ebsus4**

**Eb Ebsus4 Eb**

**Ebsus4 Cm**  
If you'd have come you'd have found me there  
**Gm Cm [Fill 1]**  
But you never did cos you don't care and I'm so sorry baby  
**Eb Ebsus4 Eb Ebsus4 Eb**  
I don't mind loneliness too much but when I met you I was touched  
**Ebsus4 Eb Ebsus4 Cm Gm**  
And that was good enough for me but do we always have to be sorry  
**Cm [Fill 1]**  
Why can't we just be happy baby?

**C**                    **Am**            **F**            **G**  
 One day you ll be waiting there, no empty bench in Soho Square  
**C**            **Am**  
 And we ll dance around like we don t care  
**F**            **G**  
 And I ll be much too old to cry  
**F**            **C**            **F**            **G**  
 And you ll kiss me quick in case I die before my birthday

**C Am**            **F G**  
     Before my birthday  
**C Am**            **F G**  
     Before my birthday
