

Well Never Pass This Way Again
Kirsty MacColl

C
I was twenty-one years when I wrote this song
G **Am**
I m twenty-two now, but I won t be for long
F **Em**
People ask me when will I grow up to understand
G **F** **C**
Why the girls I knew at school are already pushing prams

C
I loved you then as I love you still
G **Am**
Though I put you on a pedestal, you put me on a pill
F **Em**
I don t feel bad about letting you go
G **F**
I just feel sad about letting you know

F **C**
I don t want to change the world
Am
I m not looking for a new England
F **E** **G**
Are you looking for another girl
F **C**
I don t want to change the world
Am
I m not looking for a new England
F **C**
Are you looking for another girl

C
I loved the words you wrote to me
G **Am**
But that was bloody yesterday
F **Em**
I can t survive on what you send
G **F** **C**
Every time you need a friend

C
I saw two shooting stars last night
G **Am**
I wished on them, but they were only satellites
F **Em**
It s wrong to wish on space hardware
G **F**

I wish, I wish, I wish you d care
