

**Atticus In The Desert**  
**Kishi Bashi**

I apologise, the font got messed up somewhere along the way and the chords are all right just not in the right places. i hope that you can get it from listening to the song!

**Am**

Oh in the desert, we tried to

**G**

Love like they do in movies

**D**

Face to face end of story

**C**

**G**

**Am**

As twins we created an era

**G**

Two souls in prime sahara

**D**

Swallowed by sand and time we play

**C**

**G**

**Am**

What began as an epic

**G**

Ended a parched pathetic

**D**

Arid and vapid like our attachments

**C G**

**D**

I was in love with you

**C G**

You re all i ever knew

**D**

I gave my head to you

**C**

The way i used to do

**Em**

It s in a better place now

**D**

What you decide to do with it is up to you

**G F Am**

**C**

Like all things you feed on

**Am**

Oh in the desert you sucked my finger

**G**

**D**

It wasn t meant to be, it was like water from leather

**Em**

Oh my god, what can i pay you to stop

**Am G**

**Am**

**G**

So in my desert what was the nature of your visit to my domain  
Business or pleasure?

**D**

**Em**

**C**

Oh my god, you just don't care if i drop

**D**

I was in love with you

**C**

You're all i ever knew

**D**

I gave my head to you

**C**

The way i used to do

**Em**

It's in a better place now

**D**

**G F C**

What you decide to do with it is up to you
