

**I Am The Antichrist To You**  
**Kishi Bashi**

**Cm** **Bb** **Eb** **Ab**

Who are you? Who am I to you?

**Fm** **Cm** **Eb** **Ab**

I am the antichrist to you

**Eb** **Bb** **Cm** **Ab**

fallen from the sky with grace

**Fm** **Cm** **Eb** **Ab**

into your arms race

**Eb** **Bb** **Cm** **Ab**

Lucid lovers me and you

**Fm** **Cm** **Eb** **Ab**

a deal of matchless value

**Cm** **Bb** **Eb** **Ab**

I was always quick to admit defeat

**Fm** **Cm** **Eb** **Ab**

empty statements of bones and meat

**Cm** **Bb** **Eb** **Ab**

And my heart it shook with fear

**Fm** **Cm** **Eb** **Ab**

I m a coward behind a shield and spear

**Cm** **Bb** **Eb** **Ab**

Take this sword and throw it far

**Fm** **Cm** **Eb** **Ab**

Let it shine under the morning star

**Cm** **Bb** **Eb** **Ab**

Who are you? Who am I to you?

**Fm** **Cm** **Eb** **Ab**

I am the antichrist to you

**Cm** **Bb** **Eb** **Ab**

fallen from the sky with grace

**Fm** **Cm** **Eb** **Ab**

into your arms race

**Cm** **Bb** **Eb** **Ab**

One for my heart and two for show

**Fm** **Cm** **Eb** **Ab**

three tears for all the souls below

**Cm** **Bb** **Eb** **Ab**

One day we made them into figurines

**Fm** **Cm** **Eb** **Ab**

burned them all with all my favorite things

**Cm** **Bb** **Eb** **Ab**

Who are you? Who am I to you?

**Fm Cm Eb Ab**  
I am the antichrist to you  
**Cm Bb Eb Ab**  
fallen from the sky with grace  
**Fm Cm Eb Ab**  
into your arms race

**Cm Bb Eb Ab**  
Who are you? Who am I to you?  
**Fm Cm Eb Ab**  
I am the antichrist to you  
**Cm Bb Eb Ab**  
fallen from the sky with grace  
**Fm Cm Eb Ab**  
into your arms...
