I wrote me a book, hid the last page  
**D/B** **D/B**  
I didnâ€™t even look; I think I locked in a cage,  
**D/G** **D/G** **D**  
Wrote a novel, cuz everyone likes to read novels

**D**

**D** **D**  
It started with a word and it started pretty well  
**D/B** **D/B**  
About a rare and fragile bird that I couldnâ€™t even spell  
**D/G** **D/G** **D**  
On the table, I think I left it on the table

**D**

**D** **Bm**  
I found the last page in the sky  
**Bm** **G**  
Cold and sweet like an apple  
**G** **D**  
Found you and now the story has its proper end

**G** **D**  
All alone, will you be mine?  
**A** **Bm**  
I havenâ€™t felt this alive in a long time,  
**G** **D** **A**  
All the streets are warm today, hey  
**G** **D**  
I read the signs,  
**A** **Bm**  
I havenâ€™t been this in love in a long time,  
**G** **D** **A**  
The sun is out, the sun will stay  
**A**  
All for the new day

**D Bm G D**

**D** **D**  
The very last breath of the hero of out tail,  
**D/B** **D/B** **D/G**  
Would leave you only to guess did he truly prevail in the sequel

D/G D  
I guess Iâ€™ll have to write a sequel

My favorite part when I die,
