Intro : D G x4

D G
I ve got a frustration

D G
With higher education

D G F A
The theory of creation is dumbing me down

D G D G
And yes I ve got an issue with the current situation

D G F A A
Going on in the country whose name I can t pronounce

G A D
Being negative is the best

G A D
I m feeling so happy that I m depressed

G A D
Give my love to my enemies

G A D
I m paranoid and that s ok with me

Riff G Dx4

The earth is getting warmer
Soon it will be a sauna
And we will have to move our things to outer space
Look at all the slaves
Making jackets out of suede
The corporations run the world and I can t complain

Being negative is the best
I m feeling so happy that I m depressed
Give my love to my enemies
I m paranoid and that s ok with me

G A D x4

La la la la

Riff G D

Incurable diseases
And followers of Jesus
Are trying to end contraception are they insane?!
The sexist and the racist
Are loving all the hate
And the homophobe, homophobes, homophobes are secretly gay...

Being negative is the best
I m feeling so happy that I m depressed
Give my love to my enemies
I m paranoid and that s ok with me

Being negative is the best
I m feeling so damn happy that I m depressed
Give my love to my enemies
I m paranoid and that s ok with me

G A D

That s ok with me
