

**Somebodys Gotta Do It  
Kissin' Dynamite**

[Intro]

**Dm Dm**

[Verse 1]

I really got no idea if we ve ever been here before  
I think I m sleeping away another hung over day, oh lord  
And your familiar face is kinda out of place, oh lord  
Don t give a shit, anyway, because my memory today seems completely gone

[Chorus]

Somebody s gotta do it  
Yeah someone s gotta get it done for all  
Somebody s gotta do it  
If there s nobody else who s got the balls  
It s hard to carry all this heavy burden  
But hey, you gotta practice what you preach  
Recruited for the dirty work  
Somebody s gotta do it  
Somebody s gotta do it

[Verse 2]

I m having nowhere to stay, we ve got a hell of a way to go  
I ve got an ache in my head as I awake from the dead, oh no  
And all the girls to be pleased are getting on their knees, oh no  
It ain t no walk in the park but it s a real bloody hard work to rock and roll

[Chorus]

Somebody s gotta do it

Yeah someone s gotta get it done for all
