This is a song I wrote myself!
It s about Calgary AB

Standard tuning.
Capo on 4

C/G
It s all a game
Am
When you re trying to keep your sane
F
This city will beat you up
        C   **G**
And break you down
C/G
When there ain t no place to play
Am
Nothing to say
F
Nowhere to stay
        C   **G**
It ll get you down

Am
It s just a matter of time
G
Before this town eats you alive
F////
C G
Am
It sure is a Devil town
G
Where sanctuary is never found
F////
 C G

Am   **F**
This city eats people
G   **C**

```
Like you and I.......
Am                              F
You better start running
G                    C
To save your Life.......
Am          F
We re all trapped in hell
G                                                    C
And there ain t no way to break this spell
G
Oh no

C/G
Ridin  down the dreary streets
Am
Searchin  for a beat
F                                            G
There ain t no rythm to be found
G
And it gets me down
C/G
They know where the drugs are sold
Am
With so much dirty gold
F
This city is so cold
G
It ll get you down

Am
Smiles cost a thousand bucks
G
Man this really sucks
F                                      C        G
Where every laugh is a bloody lie............
Am
It sure is a Devil town
G
Where sanctuary is never found
F////
C G

Am                      F
This city eats people
G                C
Like you and I.......
Am                      F
You better start running
G                C
```

```
To save your Life.......
Am              F
We re all trapped in hell
G                                                               C
And there ain t no way to break this spell
G
Oh no

Am
We need some fucking justice
G
Come on people, make a ruckus
F////
C G
    Fuck it

(slowly and softy)
Am                      F
This city eats people
G                   C
Like you and I.......
Am                       F
You better start running
G                   C
To save your Life.......
Am              F
We re all trapped in hell
G                                                               C
And there ain t no way to break this spell
G
Oh no
Am
Oh no
```
