INTRO: D-G (4x)

 D G D G
The world stood still, when I first met you.
F#m E G
You caught my heart.
 D G D
Things are never the same.

 D G
My senses numb.
 D G F#m E G
The word still reverberates repeatedly in my ear.
 D G A
I want to see you again.

CHORUS:

 F#m G D A
It s hard to breathe ever since then.
 F#m G D A
The coldness sweeps, warm tears again.
 F#m G D A
It s hard to breathe ever since then.
 F#m G D G
The coldness sweeps, warm tears again.

 D G D G
Something that you said, I ve always cherished within.
F#m E G
You took my hand.
 D G D
Things were never the same.

 D G
Lying beside you now.
 D G
All alone in the room.
F#m E G D G A
Always been so happy, since you mended my wound.

(CHORUS)

OUTRO: **D-G** (5x)
