Intro: **A-G** (4x)

Verse I:

A-G
I sing of little dreams
Of lovers, islands, secrets and poetry
Stumming tales from the heart
Know they resonate in you and me

Chorus:

A-G
Not i ll take the stage
But i ll always be
Among you where i belong
To rock your hearts out
I m supernaturally hypnotized
I m singing our song like i ve never been so high

A G
Paparapapa love ko to (2x)

Verse II:

A-G
I hear the beat from above
It guides my heart and fills the groove of my soul
No matter where it takes me
On the same ground is where we will always be

Bridge:

A--
As i take you to my dreams

G--

Soring high above among the stars

A--

Will it keep my feet safe and warm on the ground?

(repeat)

Chorus

A-G

Not i ll take the stage

But i ll always be

Among you where i belong

To rock your hearts out

I m supernaturally hypnotized

I m singing our song like i ve never been so high
