

**Christina
Kitten**

These chords are from the original version of Christina that Kitten released in like 2011ish. (I think it s on their myspace.) The new version is a lot quicker but this one is slower and more sad, it s pretty easy and the same chords throughout.

No Capo, standard tuning.

Intro: **C G Am**

C G
every time I think of you

Dm Am
a shot rings out like a bolt of blue

C G Dm Am
every time I think of how we started

C G Dm Am
half alive and hypnotized by an icy prince with guilty eyes

C G Dm Am
we were only thirteen when it started

~

C G Dm Am
sing hallelujah for the girls

C G Dm Am
sing for their movies and their curls

C G Dm Am
sing hallelujah for the girls

C G Dm Am
sing for the beauty in the world

C G
I like your lips and your open eyes

Dm Am
your music and the way you cry

~

C G
I think the pictures Paris, France

Dm **Am**
you were wearing eyeliner and a sideways glance

C **G** **Dm** **Am**
I like they way you re stretching out the leather

C **G**
you cut your arms it made you calm

Dm **Am**
being chased by ghost really ain t that fun

C **G** **Dm** **Am**
when you re doing it for the money

~

C **G** **Dm** **Am**
sing hallelujah for the girls

C **G** **Dm** **Am**
sing for their movies and their curls

C **G** **Dm** **Am**
sing hallelujah for the girls

C **G** **Dm** **Am**
sing for the beauty in the world

C **G**
I like your lips and your open eyes

Dm **Am**
your music and the way you cry

~

C **G** **Dm** **Am**
Christina Ricci...

C **G** **Dm** **Am**
Christina...

C **G** **Dm** **Am**
Christina Ricci...

~

C **G**
Unimpressed unlike the rest

Dm **Am**
a little angry but you confessed

C

G

and I think you'd like me just the same

Dm

G

C

if you could hear this song and you knew my name
