Trumpet Solo over previous section chords:

Well across the mountain and across the sea
That s the only place I wanna be
But with you here tonight and eve-ry-thing s al-right
And baby, hold me tight

We tried and tried and tried all of the time
We cried and cried and cried most all of the time
But baby, baby, please give me one more chance
And I ll promise a true romance

And if you let me love you like you did before
Won t have to worry bout me no more
Cause with you here tonight and eve-ry-thing s al-right
And baby, hold me tight

Trumpet & xylophone jam over verse/chorus chords:

Outro:

We tried and tried and tried all of the time
We cried and cried and cried most all of the time
But baby, baby, please give me one more chance
And I ll promise a true romance

And if you let me love you like you did before
Won t have to worry bout me no more
Cause with you here tonight and eve-ry-thing s al-right
And baby, hold me tight
