

Cold Blood
Kix

Intro / Verse:

Starts with one measure of the guitar riff, then this, which goes through the intro and the verse, and plays behind the solo as well.

G
[tab]D
A 3333 1111[/tab]
E 3333333333333333

Pre-chorus ("good love is all ya need...")

G
[tab]D
A 77777777 (0) 5 0 3 5 3 5 5 3 0 5 3[/tab]
E 55555555

Chorus ("When it gets hot...")

G
[tab]D
A 77777777 77777777 77777777 5[/tab]
E 55555555 55555555 55555555

Pretty self explanatory... the end of the chorus fits in that little riff from the pre-chorus as well... you shouldn't have any problems.
