 [Intro]
|C |C |C |G D

[Chorus]
C   G
With all of my heart
                D   C
With all of my soul and mind
                        G
With all of my strength
          D
I love you always

[Verse]
C
You gave it all for me
G   D
Left your fathers side, stepped into time
C
You left eternity
      G   D
Cause my sin and Pride caused a divide
        C
But your love it wouldn t leave
   G   D
So i give my life full sacrifice
C   G
Though its the very least that i can do
     D
So i give my all to you

[Chorus]
C   G
With all of my heart
                D   C
With all of my soul and mind
                        G
With all of my strength
            D
I love you always

[Verse]
C
You gave it all for me
G   D
Left your fathers side, stepped into time

```
You left eternity
        G                       D
Cause my sin and Pride caused a divide
       C
But your love it wouldn t leave
    G                   D
So i give my life full sacrifice
C                                           G
Though its the very least that i can do
    D
So i give my all to you

[Bridge]
            C
I give you all
          G
All of me
        D
All of me
          Am7
All of me
                      C
Cause you gave your all
        G
All for me
          D
All for me
             Am7
Now I m free

[Chorus]
C                       G
With all of my heart
                  D           C
With all of my soul and mind
                           G
With all of my strength
            D
I love you always
