[Rest of the chords are as above]

teri kashish ka jaadu ajab hai
har waqt mujhko teri talab hai
yuun hi nahi main besudh huva hoon
iss pyaas ka toh koi sabab hai
tere siva na abb koi armaan
abb jindagi hai tujhse meri
bin tere har jagah tanhaayi si hai
mere dil jism-o-jaan pe tu chaayi si hai
tera chehra sanam ik rubaayi si hai
mere dil jism-o-jaan pe tu chaayi si hai
jaane kaise shab dhali, jaane kaise dil khila
jaane kaise kab kahaan, chal pada yeh silsila
meri aankhon ko yeh kaisa manjar mila
tere har naksh mein bas khuda hi khuda
(tera chehra sanam ik rubaayi si hai
mere dil jism-o-jaan pe tu chaayi si hai) x 2
