

**I Saw The Light**  
**Klaus**

Actually played on ukulele, but these are the chords,  
most of the lyrics are probably wrong, but either way.

Intro: **D#m**

VERSE

**D#m C# F# B**  
Hold fire and I ll relax, place your shadow on these tracks  
**D#m C# F# C#**  
It s turning heads, I have to ask  
**D#m C# F# B**  
Nothing could seem so fake, all this darkness it s a give or take  
**D#m C# F#**  
She said I opened my mind to mistakes, back when...

CHORUS

**B F# C# D#m**  
I saw the light, and it lit up the darkest times when I,  
**B F# C#**  
I saw the light, I saw the light  
**B F# C# D#m**  
I saw the light and it made me realise when  
**B F# C#**  
I saw the light, I saw the light

then this bit is played high on the G and D string:

D:-15-16--11-13--181818  
G:-16-16--13-13--202020

second verse is the same as the first  
but, as it is says oh and you know that s the truth ,  
right at the end an A# is played  
to lead on to the chorus.

Bridge:

**C# F# B F#**  
But it s not over yet  
**C# D#m B F#**  
there s higher people to follow and still those ones we haven t met  
**B F#**  
so I follow it through  
**C D#m**  
never lead your eyes again

**B**

**F#**

**C#**

it s all about me I m excited to be so hearts away, away again again

then back to verse chords for verse three  
until it says I saw the light and an B is played

CHORUS, same chords played till ending with the oohs  
ends with:

D:-15-16--11-13--181818

G:-16-16--13-13--202020

LYRICS:

Verse 1:

Hold fire and I ll relax,  
place your shadow on these tracks,  
it s turning heads I have to ask.

Nothing could seem so fake,  
all this darkness it s a give or take.  
she said I open my mind to mistakes, back when...

Chorus:

I saw the light  
and it lit up the darkest times when I,  
I saw the light I saw the light.  
I saw the light  
and it made me realise when,  
I saw the light I saw the light.

Verse 2:

People think you re the only one,  
who knew a thing or two about love,  
or what it can do to someone.  
Chin-chin breads for a chin-chin time,  
too much sweetness for my tooth, oh and you know that s the truth.

Chorus

Bridge:

But it s not over yet,  
there s higher people to follow  
and still those ones we haven t met.  
So I follow it through,  
never lead your eyes again,  
it s all about me, I m excited  
to be so hearts away, away again again.

Verse 3:

We ve been on this roof for hours,  
I m slumped over a magazine,  
I wish your looks were at me.  
It s just so unfair,  
how you take but you just don t care,  
my words were falling through the air, oh when...

Chorus

end.

hope it s alright,  
lyrics probably very wrong,  
worked them out aswell myself.
