**Am**  
While passing through the clouds of diamond dust

**Am**  
As two mock suns arise beside our one

**Am**   **Bm**         **Am**         **Bm**  
The sundogs guide the way towards the east

**Am**   **Bm**         **Am**         **Bm**  
And set behind the valley of calm trees

**Dm**  
The destination

**Am**                 **G**  
Unfamiliar sands

**Dm**  
Amongst the ice fog

**Am**                 **G**  
A DC-8 awaits

**Dm**  
Our means of travel

**Am**                 **G**  
To visionary worlds

**Dm**                         **Am** **F** **E**  
Let us imagine

**F**   **E**   **Am**  
Down in the valley the calm trees are swaying in time (we cant avert our eyes)

**F**   **E**   **Am**  
Down in the valley the flowers are food for the mind (no sign of passing time)

**F**   **E**   **Am**  
Over the hills where the mountains are tumbling down (a place of natural wonder)

**F**   **E**   **Am**  
Visions are clear as we notice the three suns align

**Dm**  
Upon arrival

**Am**   **G**  
The dust and deserts drone

**Dm**  
And no resistance

**Am**   **G**  
Could keep us from all time

**Dm**

There is no notion

**Am** **G**

In visionary worlds

**Dm** **Am** **F** **E**

Let us imagine

**F** **E** **Am**

Down in the valley the calm trees are swaying in time (we cant avert our eyes)

**F** **E** **Am**

Down in the valley the flowers are food for the mind (no sign of passing time)

**F** **E** **Am**

Over the hills where the mountains are tumbling down (a place of natural wonder)

**F** **E** **Am**

Visions are clear as we notice the three suns align

**F** **E**

Traveling over the valley we feel the breeze

**F** **E**

Taking in everything that there is to be seen

**F** **E** **Am**

The suns in the distance are moments away from the dream
