Between the liquor, the bed and the noise in my head
Between your mind and my crime
And me in the grime
Between the gun, the lead and the lies that I said

Through your sweet breath

Comes the dawn of my death

Pre-Chorus

Touch me-Hate me

Pre-Chorus

Give yourself to me and break me

Chorus

Cut these eyes and I will see me

Chorus

Kiss these lying lips for me

Chorus

Stroke this skin and I will kneel

Chorus

BRUTALIZE ME I WILL HEAL

After chorus

Between the bullet and my lip

And the lies you let slip

Between the dirt of this soul

And your heart that s a hole

Between the place where you hit

And this face where you spit

Through you sweet breath

Comes the dawn of my death
