Verses:

(since the verse notes are held for a LONG time, I shortened the length to save time and space)

Verse 1:

E|-3~/9~/11~/1~/5/129~/

B|-3~/9~/11~/1~/5/129~/

When.....alive.....and you blow higher.....me anymore

Before Verse 2 (1:34):

E|-8~/10~/9~/

B|-8~/10~/9~/

Verse 2:

E|-10~/1510~9~/

B|-10~/1510~9~/

And when.....sodden shrine.....you cannot hurt me anymore

Chorus:

(play these REALLY fast!)
each chord is strummed 3x

Give it to me (wildfire) Don t take it from me
B5 A#5 A5 G#5 C5 A#5 A5 A#5

(wildfire) Give it
B5 A#5 A5 G#5 C5 A#5 A5 A#5

these same chords are used until 4:00, when they change to:

(wildfire) give it
G5 G#5 A5 G#5

give it to me (wildfire)
G5 G#5 A5 G#5

(use the same speed and still strum each one 3 times)

I believe that s everything except for the solo (which I don t know. If I figure it out, I ll post it.) The chords for the chorus might be wrong, but the pattern is correct. probably take awhile.
