

Bang Bang

K'naan

F#6

She shot me, she shot me,
Bang, bangâ€¦ she shot me. (x3)

F#6

She shot me, she shot me,
Bang, bang. (Get out the way, yo)

F#6

Ahhâ€¦ there she goes again,
The girl is Ethiopian.
In other words, she came through explodinâ€™
In the podium, dynamite
Napoleon like sodium mixed with petroleum,
Slowly but surely, she was walking toward me
Cut the convo short â€™cause she had to wake up early,
But continuing the story,
Donâ€™t worry she gave me digits for her Blackberry
â€œYouâ€™re very handsomeâ€• is what she said.
And the way she looked in my eyes said â€œPut me to bed.â€•

F#6

Oh my, oh my, I should have known when she said to me on the phone:
â€œYou do not know me very well, but I would never hurt a fly.â€•
Then she aimed at my chest with love in her eye.
I said she aimed at my chest with love in her eye.

(Chorus)

B

She was walkinâ€™ around with a loaded shotgun

A#

Ready to fire me a hot one.

D#

It went bang, bang, bangâ€¦

G#

Straight through my heart. (Straight through my heart)

B

Although I could have walked away,

A#

I stood my ground and let her spray.

F#6

She shot me, she shot me
Bang ,bangâ€¦ she shot me (x3)
She shot me, she shot me
Bang, bang.

F#6

Scorpion,
Sheâ€™s so hot sheâ€™s a scorch-ian,
Killing me softly,
Lauryn or Kevorkian,
Couldnâ€™t tell if sheâ€™s coo-coo or corky, when
I asked her her name she said â€œCall me Ten.â€•
Testing, testing
Things just got more interesting
Sheâ€™s dressed in a vest pin, double-breasted holster,
A very Western toaster,
She ainâ€™t nothing Kosher.
Ahâ€¦ she lets me closer.
Hotter than a pepper-cruste Samosa
While I try to keep my composure.

(Chorus)

(There isn't a guitar for the bridge, but you could periodically play that popular F#6 throughout)

Am I wrong?
But what is love without the pain to go along?
And what is pain if not the reason for me to sing this song?
And this song is for the weak and for the strong.
Cause I was strong and stillâ€¦
She got me, she got me,
Bang, bangâ€¦ she got me.
She got me, she got me,
Bang, bang.

(Chorus)
