

**Fire In Freetown**  
**K'naan**

The count for strumming each chord is 2, so if a chord has (x2) beside it, strum it for 4 counts!

For beginners: It should sound like **Bm Bm C#m C#m C#m C#m F#m F#m F#m F#m** (with each chord strum once.) If you listen to the song the strumming should come easy. Hope this makes sense, if not let me know! Thanks

There s no way to write it, there s no way to fight it  
And I kick and scream but you got me despite it  
And I got my pride so I begin to hide it  
Like fire in Freetown you begin to light it

Aha, aha, sidii hogasha roobka  
Aha, aha, you shine down upon me  
Aha, aha, sidii hogasha roobka  
Aha, aha, you shine down upon me

By some higher order you keep getting bolder  
By God or by country you kill like a soldier  
By some widdle you sung little but scream mighty stronger  
Like fire in freetown you old magic spoiler

Aha, aha, sidii hogasha roobka  
Aha, aha, you shine down upon me  
Aha, aha, sidii hogasha roobka  
Aha, aha, you shine down upon me

You place pins in my ribs and ask me to lie down  
My pain is your pleasure but pleasure is all mine  
You lend me your false ear, I lend you my false lines  
Like fire in Freetown I m fueled by your gold mine

Aha, aha, sidii hogasha roobka  
Aha, aha, you shine down upon me  
Aha, aha, sidii hogasha roobka  
Aha, aha, you shine down upon me

Aha, aha, sidii hogasha roobka  
Aha, aha, you shine down upon me

Aha, aha, sidii hogasha roobka  
Aha, aha, you shine down upon me

There s no way to write it, there s no way to fight it  
And I kick and scream but you got me despite it  
And I got my pride so I begin to fight it  
Like fire in freetown you begin to light it

Fire, fire, fire, fire  
She pulled out her match and she burned down my home  
Fire, fire  
She always come find me, she know where I roam

Fire, fire  
She know where to touch me to turn me to stone  
Fire, fire  
She come like a storm and she rained on my lawn

Fire, fire  
She know where to touch me to turn me to stone  
Fire, fire  
She always come find me, she know where I roam

Fire, fire  
She pulled out her match and she burned down my home
