Chords for K NAAN - Is Anybody Out There? ft. Nelly Furtado  
Got them from hearing sounds very good.

[Chorus]

**C**

I don t wanna be left

**F**

In this war tonight

**C**

Am I alone in this fight?

**G**

Is anybody out there?

**Am** **F**

Don t wanna be left left in this world behind

**C**

**G**

Say you ll run to my side

[K naan]

**C**

Something bout mary

Never won a pageant

**F**

Never felt pretty

Never looked like cameron

**C**

Diaz was her last name

Always been abandoned

**G**

Keep your head up

Baby girl this is your anthem

**Am**

There goes hannah

Showin off her banner

**F**

Rocking that crown

Make them boys go bananas

**C**

When you re insecure about yourself

It s a fact

**G**

You can point a finger

But there s three pointing back

[Pre-chorus]

**C**

I can see her crying out, yeah

**F**

Is there anybody out there?

**C**

She s really counting on your love

**G**

Still struggling uphill

But you act like you don t care

**Am**

Right now she could really use a shoulder

**F**

Hanging onto the edge til it s over

**C**

She s crying for your love tonight

**G**

Loneliest heart to survive, she said

[Chorus]

**C**

I don t wanna be left

**F**

In this war tonight

**C**

Am I alone in this fight?

**G**

Is anybody out there?

**Am** **F**

Don t wanna be left left in this world behind

**C** **G**

Say you ll run to my side

**C** **F**

Is anybody out there? yeah, yeah, yeah

**C** **G**

Is anybody out there?

[K naan]

**C**

His name was adam

When his mom had him

**F**

Dad was a phantom never took a look at him

**C**

Grew up mad and antisocial

**G**

Hated outdoors, always in playing madden

**Am**

Adam was lonely

Drugs were the only

**F**

Way out of his own life

**C**

Now he s slowly losing his fire

Close to retire

**G**

With one last hope he puts his arms up higher

[Pre-chorus]

**C**

I can see him crying out, yeah

**F**

Is there anybody out there?

**C**

he s really counting on your love

**G**

Still struggling uphill

But you act like you don t care

**Am**

Right now he could really use a shoulder

**F**

Hanging onto the edge til it s over

**C**

he s crying for your love tonight

**G**

Loneliest heart to survive, he said

[Chorus]

**C**

I don t wanna be left

**F**

In this war tonight

**C**

Am I alone in this fight?

**G**

Is anybody out there?

**Am**

**F**

Don t wanna be left left in this world behind

**C**

**G**

Say you ll run to my side

Is anybody out there?

[Bridge]

**C** **F**  
 If you feel the way I feel  
**C**  
 Like you've been talking to yourself  
**G**  
 Well this one's for everyone who's felt invisible  
**Am** **F**  
 Lonely in a crowded room  
**C**  
 Searching for someone like you  
**G** **C** **F**  
 Can't do it all alone (no one can baby)  
**C** **G**  
 Can't do it all alone (no one should baby)  
**Am** **F**  
 Is anybody out there?  
**C**  
 Is anybody out there?  
**G**  
 Is anybody out there?  
  
 [Outro]  
**C**  
 I don't wanna be left  
**F**  
 In this war tonight  
**C**  
 Am I alone in this fight?  
**G**  
 Is anybody out there?  
**Am** **F**  
 Don't wanna be left left in this world behind  
**C** **G**  
 Say you'll run to my side  
**C**  
 Is anybody out there?  
**F** **C**  
 Don't wanna be left left in this world behind  
**G**  
 Say you'll run to my side  
  
 Is anybody out there? yeah, yeah, yeah  
**Am** **F**  
 (I don't wanna do it all alone)  
**C** **G**  
 (I need your love to take me home)  
**C** **F**  
 No one said you should be all alone  
**C** **G**  
 (I'm right here)  
**C**  
 Is anybody out there?
