

[Chorus]

**Db5 E5**  
The shake of the shame  
**B5 Db5 A5**  
But it hangs around your name  
**Db5 E5 B5 Db5 A5**  
For the first time you re afraid

**Db5 E5**  
And you take what they left  
**B5 Db5 A5**  
Choke on their success  
**Db5 E5 B5 Db5 A5**  
But you re nothing anyway

**Emadd9/B E7 A5 E7**

**Emadd9/B E7 Asus2**

**Asus2 E7**  
The way I mistook  
**Asus2 A5/E**  
How an overbite might look  
**Asus2 E7 Db5**  
Like a smile on the face of a girl  
**E5 A5**  
And the way she s hating the world  
**Asus2 A7 Asus2 A7 Asus2 A7 Asus2**

**Asus2 E7**  
Strength in the arms  
**Asus2 A5/E**  
Pulling empty hall alarms  
**Asus2 E7**  
But nobody heard  
**Db5 E5 A5**  
In a room where they wait and rehearse  
**Asus2 A7 Asus2 A7 Asus2 A7 Asus2**

[Chorus]

**Db5 E7**  
The shake of the shame  
**B5 Db5 A5**  
But it hangs around your name

For the first time you re afraid

**Db5 E7**  
And you take what they left  
**B5 Db5 A5**  
Choke on their success

But you re nothing anyway
