Might As Well Be Gone - Knieval

Here s a great song by a great Australian band, I heard this during Triple
J s, " Live at the Wireless " and was immediatly impressed. The lyrics I
have written down are way out, when I listened to it I couldn t understand
a thing but I tried my best.

[tab]Intro:

```
F#      pm_____
-----|
-----|
-----|      x4
--4--4--4-4-4----|
--4--4--4-4-4----|
--2--2--0-0-0----|[/tab]
```

Verse 1: (the lyrics on the second line are way out)

```
[tab]  F#      C#      D      A
      See your son turn strongly across you[/tab]
[tab]  F#      C#      D
      Remember river in you[/tab]
[tab]  F#      C#      D      A
      Sifting through all the crap on the river bed[/tab]
[tab]  F#      C#      E
      Search and Loose ahhhh...[/tab]
```

Chorus:

```
[tab]          D          A
      Well we might as well be gone[/tab]
[tab]          B          E      A
      Where sinking as we swim along[/tab]
[tab]          D          A
      Said it s not our time[/tab]
[tab]          B          E      A
      We laugh at what we left behind[/tab]
[tab]          D          A
      Might as well be gone[/tab]
[tab]          B          E      A
```

Well tell him here s this to his song[/tab]
[tab] **D** **A**
Said its not our time[/tab]
[tab] **B** **E** **A**
We laugh at what we left behind[/tab]

Verse 2: (same chords as first verse)

See me swervin oh the scrathes from here
I have lost this sound
How we shared many are here
Time to climb back down

Repeat chorus

Bridge: **F#** x4 **B** x4 (repeat section twice)

Back to chorus:

Outro: (play intro once)
