

## Cross Over The Road Knorrig

CROSS OVER THE ROAD by kNoRRiG

Intro

Bm---A---Am---E7

Bm---A---Am---E x2

verse:

**Bm**

**A**

societys a fucked up place to be,

**Am**

**E7**

the whole worlds got its back turned on me

**Bm**

**A**

can someone tell me why we cant all get along

**Am**

**E**

for now theres darkness where the sun should have shone.

Pre Chorus:

B---D---A---E--- x2

chorus:

**B**

**Bm**

looked out the window and I dont like what I see

**D**

**A**

the worlds becoming everything I dont want it to be

**Bm**

**Bm7**

murderers, rapists, robbers, how do we cope?

**Am**

I tell you one thing, WE GOT NO HOPE

verse: (same as versel)

I walk down the the street and cross over the road

theres a gang of thugs making their presence known

they are shouting abuse and throwing things at me

is this the world thats supposed to be free

chorus

verse:

**Bm**

**A**

People say the governments to blame

**Am**

**E7**

i say mankind should hang its head in shame,

**Bm**

**A**

for all the shitty, pointless things that we have done

**D**

**A**

cant we stop it and all just have fun?

bridge:

background chant- "we got no hope, I dunno how we cope"  
over top-

<b>D</b>	<b>A</b>
Looked out the window and i dont like what i see	
<b>D</b>	<b>A</b>
murderers, rapists and robbers taking things for free	
<b>D</b>	<b>A</b>
if i had some power id go out and change it to	
<b>D</b>	<b>A</b>
a world that better for both me and you.	

chorus really fast

ends on picking Bminor chord with one strum to finish
