             **A**       **F#** **E**

VERSE 1

**A** **F#**  
Your always butting in on mine and other people s  
**E**  
conversations.  
**A** **F#** **E**  
I don t know how I m going out of this tricky situation.  
**A** **F#**  
you re always telling me about what you think about things  
**E**  
you dont know  
**A** **F#** **E**  
well let me tell you something for once.....

CHORUS

A	A/G#	F#	D
all i know is that i dont care what you think (times 3)			
B		D	E
you seem to have mistaken me for someone who values your			
A	F# E		
opinion			

VERSE 2 (same as verse 1)

you dont know me, you dont know what its like to be me,  
you ve never spoken to me, but still you fail to see,  
that maybe i dont care what you say or what you do to me  
cos i know im better than you can ever be...

( CHORUS ) .

VERSE 3

everytime i walk past you and your friends  
I wish i could take some pictures, I target you in the lens  
then maybe one day I d show them and let you see things through my eyes  
perphaps you d see its you and your friends that i despise...

BRIDGE

(bottom 2 strings    **E-B F-C E-B F-C**)

<b>E</b>	<b>F</b>
all i know is that i dont care	

<b>E</b>	<b>F</b>
all i know is that i dont care	

<b>E</b>	<b>F</b>
all i know is that i dont care	

**E**  
all i know is that youve mistaken me...

**F**  
for someone who values your opinion

CHORUS TO END
