Never had it bad

Riff-B B B F# G G G G F# F# F# E A A A A

Verse 1

Listen to the music, tales of anguish told about
with compassion and heart-felt suffering when all we do is jump around and shout

Dark clouds and closed doors, poverty or government s right wing
but at the end of my eyes there s always a light so please excuse me when i sing

Chorus

Ive never had it bad oh no no never had it bad nananana

Verse 2

One minute up on mountain tops, next lying dead on the floor
dissapointment is imminent, are we the bitch or are we the whore

Listen to the music, prefer it happy or prefer it sad
well i know what i relate to cause fuck it! ive never had it bad
