

Hell Froze Over
Kodaline

[Verse 1]

C#m **B** **F#**

My house, I m all alone

F#

I got a picture on my telephone of you

C#m **B** **F#**

This tree will never grow again

C#m **B**

Our hearts are dominoes

F#

Tumble weeds on a desert road somewhere

C#m **B** **F#**

Our love is coming to an end

[Pre-Chorus]

C#m

And there s a part of me wishing

B

That you were standing here with me

F#

But now my mind is moving down the road

C#m

It s a new day beginning

B

F#

But there s a piece of me clinging to all the memories and episodes

[Chorus]

C#m **B**

I would do anything for you

F#

But I won t do that again

C#m **B**

We might never get closure

F#

Heaven knows it had to end

C#m **B**

There s a part of me wishing that you were standing here with me

F#

But now I m looking through another lens

C#m **B**

Maybe if hell froze over

F#

We could be in love again

C#m **B**

Maybe if hell froze over

F#

We could be in love again

[Post-Chorus]

C#m B F#

Singing, o-o-o-oh, o-o-o-oh, o-o-o-oh

C#m B F#

O-o-oh, o-o-o-oh, o-o-o-oh, o-o-o-oh

[Verse 2]

C#m B

We re drinking lemonade

F#

It tastes bitter but we re not afraid to speak

C#m B F#

Our minds so honestly, and true

C#m B

I know when I m 88

F#

I ll still remember all the better days

C#m B F#

But right now I gotta say goodbye

[Pre-Chorus]

C#m

And there s a part of me wishing

B

That you were standing here with me

F#

But now my mind is moving down the road

C#m

It s a new day beginning

B

F#

But there s a piece of me clinging to all the memories and episodes

[Chorus]

C#m B

I would do anything for you

F#

But I won t do that again

C#m B

We might never get closure

F#

Heaven knows it had to end

C#m

My golden getaway, ohh

But I won't do that again
C#m **B**
We might never get closure
