[Verse 1]

Am **F**
How many nights do you lie dreaming
Am **F**
I m counting the days since you went away
Am **F**
When I lost my heart, life lost all meaning
Am **F**
What I would give to see you again

[Chorus]

F **Am** **F**
I ll pray for you
F **Am**
Do you pray for me?
F **Am**
I ll pray for you

[Verse 2]

Am **F**
And you slipped away from me without talking
The look in your eye was stronger than this
F **C** **E**
And I drink alone to stop me from weeping
F **C**
What s left of my heart is forever yours
E
Forever yours

[Chorus]

F **Am** **F**
I ll pray for you
F **Am**
Do you pray for me?
F **Am**
I ll pray for you

[Outro]

I know I know I know I know
