

Ready To Change
Kodaline

Em **Am** **Em**
Shots rang out, but there s no gun

D **G**
Still you hurt on everyone

C **Am** **G**
In the dips of you, the sparks are good

Em
But you re not even trying, trying

Am **Em**
You feel the knife in your gut

Am **Em**
But you re so scared of what you want

C
You bite your lip, and hold your tongue

Em
What are you hiding? (hiding)

C
We got tired of your charms

D
And tired of your false alarms

G **D** **C**
You re just a book that never turns its page

Em **G** **C**
You can stand on the edge shouting out that you re ready to change, ready to change

Em
You can say what you want

G **C**
You won t jump, you re not ready to change

You re not ready to change

(**Em** **D** **C**)
(**Em** **D** **C**)

Em **Am** **Em**
Happy times, there s been a few

Am **Em**
A different me, a different you

C
Now you sell your soul for something new

Em
But nobody s buying (buying)
