

Take Control Kodamine

Em
Take control of who you are
Em **Em**
Stay the same don't let them change you
Em **D**
Take control of who you are
Am **Em**
Cause ain't nobody going to save you

Em **Em**
Take control of who you are
Em **D**
When the world is getting stranger
Am **Em**
Take control of who you are
Em **Em**
Stay the same don't let them change you

Em **G**
But when it comes apart
B7 **Em** **C**
When it comes apart to start again
G
And open up your heart
B7 **Em**
Take control of who you are

Em **Em**
Take control of who you are
Em **Em**
When you're looking in the mirror
Em **D**
Underneath the skies
Am
You will see a little clearer

Em **Em**
Take control of who you are
Em **D**
When the world is getting stranger
Am
Take control of who you are
Em
Show the people what you're made of

G
But when it comes apart

B7 **Em** **C**
When it comes apart to start again

G
And open up your heart

B7 **Em**
Take control of who you are

G **B7**
And when it comes apart

Em **C**
When it comes apart just start again

G
Open your heart

B7 **Em**
Take control of who you are

C G D (4x)

G **B7**
When it comes apart

Em **C**
And when it comes apart just start again

G
Open up your heart

B7 **Em**
Take control of who you are
