For The Last Time
Kody West

```
                  G
If I was a drunk
     Csus2                G
I d drink you off my mind
            Em7
If I was a stoner
          Csus2               G
Well I d roll you up and get high

            Csus2
Guess I m a dreamer
G        D/F#        Em7
Wastin  all my time
               A
Stickin  around
          Cmaj7/B              C
Givin  a damn what s on your mind

                  G
I m singin  for the last time
          D
No more words or rhymes
             Am7
Ain t know verse or two
     Cmaj7/B
Or bridge about you
          C
That can keep you on my mind
                        G                Csus2
I m singin  for the last time
                          Em                Csus2
Yeah I m singin  for the last time

              G
If I had a car
     Csus2               G
I d slam it down in drive
                     Em7
I d cross a thousand miles
              Csus2      G
Just to find a place to hide

            Csus2
You wanna work things out
     G        D/F#      Em7
Well sorry not this time
            A                           Cmaj7/B
```

```
I hate the things that you do and the way that you move
        C
I ain t givin  it another try

                    G
I m singin  for the last time
        D
No more words or rhymes
          Amin7
Ain t know verse or two
    Cmaj7/B
Or bridge about you
            C
That can keep you on my mind
                    G               Csus2
I m singin  for the last time
                        Em7         Csus2
Yeah I m singin  for the last time

Lead break
Em7  D/F#  Csus2  (x2)

                  G
Singin  for the last time
        Csus2
No more words or rhymes
          Amin7
Ain t know verse or two
    Cmaj7/B
Or bridge about you
          C
That can keep you on my mind

                    G
I m singin  for the last time
        Csus2
No more words or rhymes
          Amin7
Ain t know verse or two
    Cmaj7/B
Or bridge about you
          C
That can keep you on my mind
                    G               Csus2
I m singin  for the last time
                        Em7         Csus2
Yeah I m singin  for the last time

                  G
Yeah if I was a drunk
```
