

Front Seat Show
Koe Wetzel

[Verse]

N.C. **Em**
Don t turn your feelings into hate
G
There ain t no time to waste
D
Cause bein alone can do it to you
Bm
Yeah it will do it to you
Em **G**
I stopped tryin two months before we said bye
D **Bm**
If I said that I wasn t you now know that I lied
Em **G**
I still don t know what I want
D **Bm**
And I can t sleep cause I stay stoned
Em
And I might miss you
G **D** **Bm**
I might even care

[Chorus]

C **Am**
But you want more than a front seat show
Em
And a smoky bar with drink specials all night
C **Am**
You didn t know it would be this difficult
Em
To love a man who wants this life
C **Am**
Now I m so sorry for the pains I ve put you through
Em
Girl you have to know I am
C
You won t forget it tomorrow
Am **Em**
But do the best that you can

[Verse]

Em **G**
Two years didn t seem that long
D **Bm**
I didn t want it to end that way

Em **G** **D** **Bm**
It s pretty shitty on my part to let you go without nothin to say
Em **G**
Now it s been some time and my mind ain t changed
D **Bm**
The bottles been dry and I ain t complained
Em
I still might miss you
G **D** **Bm**
I might even care

[Chorus]

C **Am**
But you want more than a front seat show
Em
And a smoky bar with drink specials all night
C **Am**
You didn t know it would be this difficult
Em
To love a man who wants this life
C **Am**
Now I m so sorry for the pains I ve put you through
Em
Girl you have to know I am
C
You won t forget it tomorrow
Am **Em**
But do the best that you can

C **Am**
You want more than a front seat show
Em
And a smoky bar with drink specials all night

C **Am**
But you want more than a front seat show
Em
And a smoky bar with drink specials all night
C **Am**
You didn t know it would be this difficult
Em
To love a man who wants this life
C **Am**
Now I m so sorry for the pains I ve put you through
Em
Girl you have to know I am

C **Am C**
You won t forget it tomorrow

Am **C** **Am C**
You won t forget it tomorrow

Am Em G D

Do the best that you can

Bm Em G D Bm

Oh do the best that you can

C Am
