

**Never Leave**  
**Koe Wetzel**

[Intro]

**Am F C** (x2)

[Verse]

**Am** **F**  
I got out and stayed away  
**C**  
And I just visit family and friends  
**Am** **F**  
I tell stories to keep em entertained  
**C**  
And they believe every word I say  
**Am** **F**  
And there ain t much to this town I guess  
**C**  
But I ll probably come back to die  
**Am** **F**  
Ain t it funny how some things never change  
**C**  
And how hard it is to cover up lies

[Chorus]

**Am** **F**  
Cause Ferndale Creek still runs the same  
**C**  
As it did five years ago  
**Am** **F**  
And the high school still does an awful job  
**C**  
Of teaching kids what they need to know  
**Am** **F**  
And my ex-girlfriend s got two boyfriends  
**C**  
And that s funny as hell to me  
**Am**  
I guess that s how it goes  
**F** **C**  
When you stay back home and never leave

**Am F C**

**Am F C**

**Am F**

Pretty soon they ll make you the mayor

**C**

**Am**

And I may be wrong

**F**

Hell it might be heaven

**C**

But every time I pass that sign

**Am**

It s the same old stuff

**F**

Ain t a damn thing changed

**C**

Cause everybody s high

[Chorus]

**Am**

**F**

Cause Ferndale Creek still runs the same

**C**

As it did five years ago

**Am**

**F**

And the high school still does an awful job

**C**

Of teaching kids what they need to know

**Am**

**F**

And my ex-girlfriend s got two boyfriends

**C**

And that s funny as hell to me

**Am**

I guess that s how it goes

**F**

**C**

When you stay back home and never leave

[Solo]

**Am F C (x4)**

**C**

As it did five years ago

**Am**

**F**

And the high school still does an awful job

**C**

Of teaching kids what they need to know

**Am**

**F**

And my ex-girlfriend s got two boyfriends

And that s funny as hell to me

**Am**

I guess that s how it goes

**F**

**C**

When you stay back home and never leave

**Am**

**F**

Cause Ferndale Creek still runs the same

**C**

As it did five years ago

**Am**

**F**

And the high school still does an awful job

**C**

Of teaching kids what they need to know

**Am**

**F**

And my ex-girlfriend s got two boyfriends

**C**

And that s funny as hell to me

**Am**

I guess that s how it goes

**F**

**C**

When you stay back home and never leave

**Am**

I guess that s how it goes

**F**

**C**

When you stay back home and never leave

**Am F C (x2)**

[Outro]

**Am**

**F**

And there ain t much to this town I guess

**C**

But I ll probably come back to die

**Am**

I guess we ll see just how that goes

**F**

**C**

When I move back home and never leave

N.C.
