

Cool Down
Kolohe Kai

Pweti easy song ae
The strum is jus the beat and yea you ll hear it if you listen.
First tab i submitted so don t judj

[Verse 1:]

Ab
Its another fiery afternoon (so hot, so hot) hotter than the month of june
A#m
So we should go beach now (cool down) cool down where the waters right yeah
Ab
Lets grab our boards and run run run run to the nearest shore
A#m
School pau, lets go now and hele out the door yeah

[Chorus:]

Ab
The wave is on fire the day is getting hot
A#m
This is my desire the one to hit the spot yayeye cool down
Ab
The wave is on fire the day is getting hot
A#m
This is my desire the one to hit the spot yayeye cool down

[Verse 2]

Ab
The waters lookin nice and blue(so blue, so blue)bluer than the clearest sky
A#m **A#m**
And the waves firein gettin higher and better even as we speak yeah
Ab
Don t you melt the sun sun sun sun hotter than ever before
A#m
So lets ride ride surf and ride some more yeah

[Chorus:]

Ab
The wave is on fire the day is getting hot
A#m
This is my desire the one to hit the spot yayeye cool down

Ab

The wave is on fire the day is getting hot

A#m

This is my desire the one to hit the spot yayeye cool down

Ab

The wave is on fire the day is getting hot

A#m

This is my desire the one to hit the spot yayeye cool down

Ab

The wave is on fire the day is getting hot

A#m

This is my desire the one to hit the spot yayeye cool down

Dat should be it ae don t like the nx bit so i won t do it.

After the stupid bit is the chorus again and yea. Churrr:P
