

Walk Alone

Konai

**E** **F#m**  
I walk alone in the forest of my own time  
My own mind

**E** **F#m**  
I walk alone in the dreams of my kind  
So high

**A**  
And everyplace I go

**F#m**  
You are there

**A**  
And every song I write about

**F#m**  
You don't care

**A** **F#m**  
My mind loves the danger

**C#m**  
Lost in my jungle

**F#m**  
I am falling in myself  
Baby baby
