

Walk Alone

Konai

E **F#m**
I walk alone in the forest of my own time
My own mind

E **F#m**
I walk alone in the dreams of my kind
So high

A
And everyplace I go

F#m
You are there

A
And every song I write about

F#m
You don't care

A **F#m**
My mind loves the danger

C#m
Lost in my jungle

F#m
I am falling in myself
Baby baby
