

I'm Only Joking
Kongos

Cm

There is a song
You're trembling to its tune
At the request of the moon

Cm

Licking her chops
She looks at the lunatics
She needs another fix

Eb

I'm only joking
I don't believe a thing I've said
What are you smoking?
I'm just a-f---ng with your head

F

Cm

Only a crazy little thing I read

Eb

I'm only joking
I don't believe a thing I've said
What are you smoking?
I'm just a-f---ng with your head

F

Cm

Only a crazy little thing I read

F

Only a crazy little thing I read

Cm

Maybe the planets
Are trying to become the stars
And we really came from Mars

Cm

The earth is alive
And man is a parasite
And heavenly bodies make us fight

Eb

I'm only joking
I don't believe a thing I've said
What are you smoking?
I'm just a-f---ng with your head
