C#
This shit right here is for you.
          Α
All your faces I can see;
         Α
You all think it s about me;
      A/C C#
I m about to break.
              C#
This is my fate.
C#/C A
Am I still damned to a life,
                         A/C
Of misery and hate?
C#
You, you ll never know
                            C#/C
What I d do for you.
What you all,
Put Me through;
A/A
          F#
I do it for you.
I could (have),
          F#
Never (lived),
       G#
If it wasn t...
      C#
For you.
