

**My Selene**

**Kotipelto Liimatainen**

Intro:

**Abm B F# Abm Dbm Ebm E F# [x2]**

**Abm. : : Ab : : . Abm**

: [Verse 1]:

**Abm E**

Nocturnal poetry:

**Db F# Abm**

Dressed in the whitest silver, you d smile at me

**E F#**

Every night I wait for my sweet Selene

**Ebm**

But, still...

: [Verse 2]:

**Abm E**

Solitude s upon my skin

**Db F# Abm**

A life that s bound by the chains of reality

**E F#**

Would you let me be your Endymion?

: [Pre-Chorus]:

**Db Ebm E F#**

I would bathe in your moonlight and slumber in peace

**Db Ebm E F#**

Enchanted by your kiss in forever sleep

: [Chorus]:

**Abm B F# Abm**

But until we unite I live for that night

**Dbm Ebm E F#**

Wait for time Two souls entwine

**Abm B F# Abm**

In the break of new dawn My hope is forlorn

**Dbm Ebm E F#**

Shadows, they will fade But I m always in the shade

**Abm Ab Abm**

Without you...

: [Verse 3]:

**Abm E**

Serene and silent sky

**Db F# Abm**

Rays of moon are dancing with the tide

**E F#**

A perfect sight, a world divine

**Ebm**

And I...

:[Verse 4]:

**Abm** **E**

The loneliest child alive

**Db** **F#** **Abm**

Always waiting, searching for my rhyme

**E** **F#**

I m still alone in the dead of night

:[Pre-Chorus]:

**Db** **Ebm** **E** **F#**

Silent I lie with smile on my face,

**Db** **Ebm** **E** **F#**

Appearance deceives and the silence betrays

:[Chorus]:

**Abm** **B** **F#** **Abm**

As I wait for the time My dream comes alive

**Dbm** **Ebm** **E** **F#**

Always out of sight But never out of mind

**Abm** **B** **F#** **Abm**

And under waning moon Still I long for you

**Dbm** **Ebm** **E** **F#** **Abm**

Alone against the light Solitude am I

:[C-Part]:

**E** **Ebm** **Abm**

In the end, I m enslaved by my dream

**E** **Ebm** **Abm**

In the end, there s no soul who d bleed for me

:[D-Part]:

**Eb**

Hidden from daylight I m sealed in my cave

**B**

Trapped in a dream that is slowly turning to a nightmare

Where I m all alone.

**Db**

Venial is life when you re but a dream

**E**

The book is still open, the pages as empty as me...

:[Chorus]:

**Abm** **B** **F#** **Abm**

But until we unite I live for that night

**Dbm** **Ebm** **E** **F#**

Wait for time Two souls entwine

**Abm** **B** **F#** **Abm**

In the break of new dawn My hope is forlorn

**Dbm** **Ebm** **E** **F#**

We will never meet Only Misery and me

:[Chorus steps up]:

**Abm B F# Abm**

This is my final call My evenfall

**Dbm Ebm E F#**

Drowning into time I become the night

**Abm B F# Abm**

By the light of new day I ll fade away

**Dbm Ebm E F#**

Reality cuts deep Would you bleed with me

**Abm**

My Selene

[Outro]

**Abm**
