

Let Go

Krept & Konan

There are only 4 chords used as far as I can tell.

I use the capo on the 2nd fret.

The chords are, in this order, Em C G(320033) G/F#(200033) OR D/F#(200233, both sound okay to use.

I recommend using the G/F# in the hook and D/F# in the verses, but it just comes down to which you think sounds better.

Verse:

Em	C	G
In the end,	will it all	be worth it
	D/F#	
God willing,	it will turn out	perfect. . .

Hook:

Em	C
Whenever I m	feeling alone
G	G/F#
Nobody don t	ring my phone, phone
Em	C
And I don t	care any more
G	G/F#
I ve been	holding on too long. . .
